

Le Vu

Coach at JDF Skating Club

Email: levu@hotmail.ca

As a national level ice dancer, Le is now pursuing a career in helping aspiring youth fulfill their dreams and discover the joys in leading a healthy and active lifestyle. Whether it's figure skating, hockey, or recreational skating, he is committed to helping skaters of all ages in achieving their goals.

His passion for coaching helps him deliver energetic and engaging lessons. While he believes having fun is one of the key factors to being successful as an athlete, he also takes care to develop good discipline, self-motivation, and respect, morals that'll be with them for life beyond the ice rink.

"The feeling you get when you see them smiling, when you see their parents excited for them, and when you see them accomplish what they set out to do, is an incredible feeling that can only be found through coaching. Knowing that I was able to help them find whatever it was they were looking for through skating is what keeps me motivated to continue doing my best."

Le holds a Level 1 NCCP Certification.

He is also a two-time representative of Team BC/YT at Western Challenge, with a Top 10 placement at the Pre-Novice Ice Dance level.

When not on the ice coaching, he is on the ice elsewhere living another dream of his through playing recreational hockey or teaching general skating.
